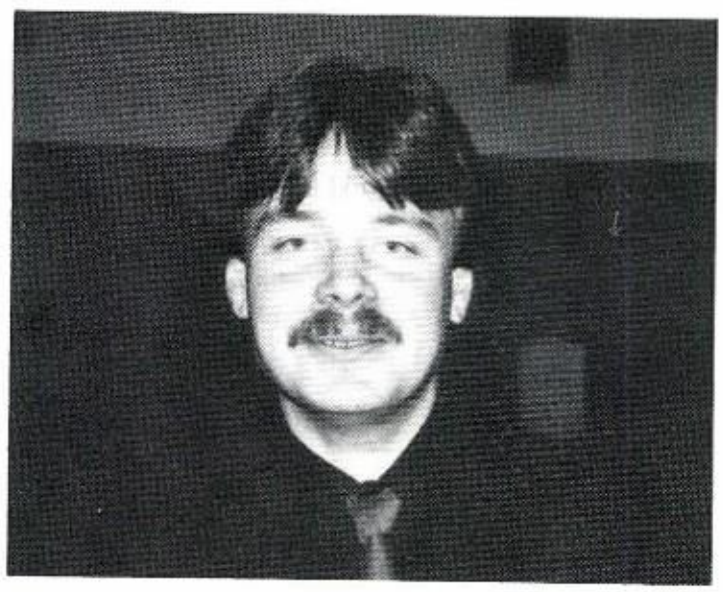
# DEDICATION

It's difficult to find words to describe a truly genuine person, one who thrives on friendliness and one who generates a personal warmth. Such a person, who devotes much of his spare time to helping others, and who freely gives of whatever he has, certainly deserves recognition.

Having the ability to look on the brighter side of life, to have a smile for everything and everyone, and to be there whenever needed, are only a few of the qualities that make up this person's understanding personality. He is one whose sincerity you will never doubt, whose dependabilty will never falter, and whose willingness to help others will never cease.

We, the Class of 1986 would like to dedicate the Kronicle to Mr. Michael Batty.



THANK-YOU

During our young lives people have helped us out. There are two people who stick out in our minds that have guided us through the past four years who deserve recognition. Mrs. Jurica and Mr. Batty, we owe you many thanks for all of the encouragement advice, and most importantly a smile whenever times didn't go our way. Whether in a classroom or in the hall, on the street or in a store you have been friendly.

THANK YOU

The Class of '86
